

Corporate Challenge Regulations:

Each participating company enters one runner in each distance contested (1km, 2km, 5km, and 10km). The lowest overall combined time will determine the winning company.

The cost is 30\$ per event.

It is possible to enter a 5th runner in one of the specific distances contested; the best time in this specific race will count for the overall team ranking. However, a runner entered in the Corporate Challenge may not participate in more than one race or else the team results will not be considered for the final standings or prizes awarded to the top team.

Runners taking part in the Corporate Challenge will be able to access their personal result with respect to all Course de Saint-Laurent participants and in their respective age category as well.

Registration :

Option 1 : Send your registration electronically to: sls@slsathletisme.com

Option 2 : Send your registration by mail to 3440 rue McCarthy, Ville Saint-Laurent, Qc. H4K 2P5

For both options, the following information is required :

- 1- Name of the company and name of the corporate team;**
- 2- Names of the participants and distance segment that will be run by each of these participants;**
- 3- Coordinates of the participants (address, date of birth, phone number, gender);**

Please write your check to the order of Club d'athlétisme Saint-Laurent Sélect.

The Club Saint-Laurent would be delighted to accept any additional donation in order to continue to promote youth track and field. Funds raised will be used to finance various SLS projects all through the year, particularly the purchase of track and field equipment.

Bib numbers and chip will be handed out on site at the Corporate Challenge table.
